

VISION OF THE CORPORATION

The vision of the Crawfordsville Community School Corporation is to provide each student with a foundation for building a successful future as a responsible, productive citizen.

MISSION AND GOALS OF THE CORPORATION

The mission and goals of the Crawfordsville Community Schools are to:

Support a variety of paths to academic success and lifelong learning

- Emphasize student focused instruction appropriate to different needs and learning styles
- Support high levels of learning through coordinated expectations and assessments
- Utilize our organizational structure to create opportunities to maximize student achievement
- Support teacher and administrator efforts to integrate learning across disciplines
- Support pre- and post-educational opportunities where possible

Support character education and character development in the school community as a whole

- Support, model, and commend upholding the six pillars of character at all levels, recognizing them as integral learning and life skills
- Continue character education activities throughout the corporation
- Promote service learning activities within the community

Support the appropriate use of fiscal resources to maintain and enhance the community's investment in education

- Explore opportunities to make our schools more energy efficient and environmentally friendly
- Continue seeking grants that enhance educational opportunities for students and professional staff
- Continue proactive involvement in the legislative process as it affects the fiscal integrity of our schools

Support programs to overcome obstacles that interfere with learning

- Ensure a safe, orderly and positive learning environment
- Maintain the health, wellness and nutrition program for students and staff
- Use technology to enhance learning, communication and organization
- Continue support for credit recovery

Support the involvement of parents and community as partners in education

- Encourage students and parents to participate in educational programs
- Use community resources to support academic, social and civic learning
- Ensure parental and community support and involvement through clear, open and timely communication
- Recognize parental and community support and involvement
