

Dear Parents,

I'm looking forward to having your child in my fourth grade class this coming year. Fourth grade is exciting as the study of Indiana history opens up several fun field trip possibilities and other opportunities. I think your child will have a great year!

Since our 4th grade A&E curriculum varies a bit from the other 4th grade classes, our supply needs are different. I want to give you a supply list for our class before you go out and purchase things your child won't need. I also listed a few items we recommend to have at home for assignments. I hope your family has a great summer, and I'll see you in August!

Sincerely,

Alyssa McGaughey
