# March 17, 2017

### Reading and Writing

This week we celebrated St. Patrick's Day! We wrote about our Leprechaun traps, and what we would do if we caught a Leprechaun! We played St. Patrick's Day bingo too. We made a Leprechaun snack we thought for sure would help us catch one of the sneaky little guys, but it didn't work, so we ate it instead☺

We had a blast eating all of the green food that was brought in! Thank you so much to everyone that sent something in☺

### This and That..

**Report Cards** are coming home today. Please go over your child's report card with them. I do not need anything back from the report card.

Next week we will be reading a Junior Great Book story during reading group time. We will not have list work.

We will not have spelling next week, but we will have reading logs.

### Extra...Extra....

Mrs. Whitecotton came and did a wonderful Spanish lesson with us today!

Our focus this week in reading groups was working on summaries of stories. Each student was able to pick a picture book and then they had to write a good summary over the book in their journals. We are working on having a good beginning, middle and end to our summaries.

### Announcements/Reminders

**Fine Arts Night is coming up:**  
**Tuesday, March 21st from 6:15-6:40.**  
 Please have your child in the cafeteria at 6:00.

You can also order books online from our book fair...visit the following site.

[http://bookfairs.scholastic.com/homepage/laura\\_hoseelementary](http://bookfairs.scholastic.com/homepage/laura_hoseelementary)

**NO School-March 27-31 for spring break**

### Math Concepts

This week in math we finished up Chapter 7. We looked at generating data and different ways to represent data. We will review chapter 7 on Monday and then take a test over it.

Next week will use the rest of the week to review major math concepts. We will also have TOPS on Friday the 24<sup>th</sup>. I have plenty of helpers for TOPS now, thank you!

### Peeps!

We will be doing an activity coming up after spring break using PEEPS☺

If you could donate a package of blue, green, pink, orange, yellow, or purple peeps we would greatly appreciate it!!!! You can send them in at any time.

A HUGE thank you to everyone who has already sent some in!

### Picture of the Week:

## Today was a fun day!
